“Chief on the Beat” Crime Prevention Safety and Health Fair North Central Patrol Division

On Saturday, October 26, 2013, the Dallas Police Department’s Office of Community Affairs along with the North Central Patrol Division and Hillcrest High School will host a “Chief on the Beat” Crime Prevention Safety and Health Fair. This event will take place at 9924 Hillcrest Road, Dallas, Texas, at Hillcrest High School from 10am to 2pm.

The Chief on the Beat event provides the Police Department an opportunity to engage the local community in a non-enforcement setting. This event also allows for the integration of various city services and community partners in order to build stronger relationships.

The Dallas Police Department will have a variety of children’s activities along with food and other giveaways. We are encouraging everyone to come out and participate in this fun and informative community partnership.

Several vendors will be present to provide the public with free health services such as diabetes testing, blood pressure checks, and much more.

For additional information, please call the Office of Community Affairs at (214) 671-4045. Primary contact for interviews is Mr. Shawn Williams, Manager of The Office of Community Affairs.
